Our German Shepard Female - Luna

Submitted by [Joe Pearce](#) on Sat, 05/05/2018 - 9:30pm

This is Ruger's sister, Luna. She is called Luna due to having a very quirky demeanor. She is a "Lunatic" in many ways, but a very easy-going female.

Location:

The Pearce's - Joe and Sherri Pearce

421 Tollett St. Hampton, TN 37658

United States
